Dear Partner, we bring you warmest greetings from the Stop Bullying camp. As this is our first newsletter, we will keep it brief and simple. You will find two important updates happening in our project. Enjoy!

SO WE FINALLY MET!

The inaugural meeting held from 8 to 10 October 2023 marked a significant milestone in the pursuit of our visionary goals. This event, coordinated by **Microkosmos** and attended by esteemed partners including **Coconut Luxembourg**, **Resopa**, and **MYARTIST**, provided a crucial platform for collaboration and strategic discussion. Each partner organization contributed their distinct expertise and viewpoints, all aligned with a common dedication to fighting bullying and empowering young people.

COMPLETION OF WORK PACKAGE 2

We are pleased to announce the successful completion of Work Package 2 for the Stop Bullying Project. This critical phase focused on creating a comprehensive training plan and actively engaging our target groups to establish a solid foundation for the educational materials tailored to their specific needs.

By accomplishing these objectives, we have laid a strong foundation for the subsequent phases of the Stop Bullying Project. Our training plan and baseline definition are instrumental in guiding the development of impactful educational materials that will empower individuals and communities to effectively combat bullying.
