Dear Partner, we bring you warmest greetings from the Stop Bullying camp. Here are some wonderful updates for you!

DISSEMINATION EVENT IN FRANCE

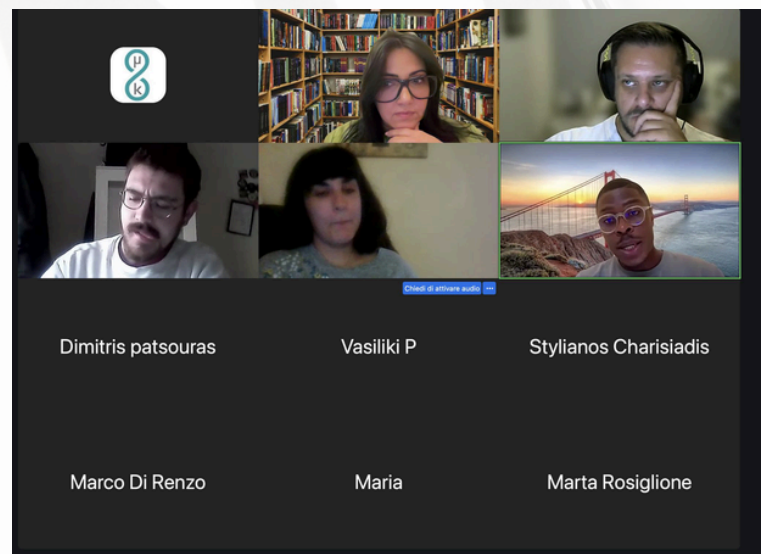

In collaboration with the Institute of Social Work in Clermont-Ferrand, the Stop Bullying project was showcased to an engaged audience of approximately 60 participants from Romania, France, Spain, and Latvia.

The presentation successfully sparked interest and curiosity in the initiative, inspiring attendees to take action in combating bullying and amplifying the project's mission.

ONLINE DISSEMINATION EVENT

We successfully hosted an online dissemination event for the Stop Bullying project, bringing together participants from Greece, France, Luxembourg, and Germany. The virtual session aimed to introduce the project's objectives, share insights, and promote collaborative discussions on combating bullying.

The event attracted an enthusiastic and diverse audience, eager to learn and engage in meaningful dialogue. Through interactive presentations and Q&A sessions, attendees gained a deeper understanding of the project's strategies and the impact of anti-bullying initiatives.
