FINAL TRANSNATIONAL MEETING IN ATHENS

The Stop Bullying Project partners gathered in **Athens, Greece**, for the **Final Transnational Project Meeting (TPM)** hosted by **MyArtist**. This concluding event brought together our dedicated partners to reflect on the project's journey, key achievements, and final outcomes. As we finalize the last details, we remain committed to empowering youth workers, educators, and communities with the tools and resources to combat bullying effectively. Stay tuned for more updates and the official project outcomes!

BRINGING ANTI-BULLYING STRATEGIES TO LIFE

As part of Work Package 4, the Stop Bullying Project partners actively engaged in practical workshops designed to tackle real-life bullying scenarios. Using materials and tools developed throughout the project, **each partner in France, Greece, Italy, and Luxembourg organized three workshops**, covering a total of **12 impactful sessions**. These workshops provided a space for youth workers and educators to explore effective intervention strategies, test innovative approaches, and empower young people to stand against bullying.
