Dear Partner,

In this edition, we bring you updates on the Project Outputs.  
Together for safer, more inclusive youth spaces – Online and offline!

## WHAT WE'VE BUILT TOGETHER

The STOP BULLYING project has reached a major milestone: the successful development of four concrete outputs designed to **empower** youth workers, educators, and young people in the **fight against bullying**—both in person and online. All outputs are **accessible** on the project website and **available** in multiple languages.

## EFFECTIVE PRACTICES AND TOOLS TO PREVENT AND ADDRESS BULLYING IN YOUTH WORK

The STOP BULLYING project has launched its training course for youth workers: This innovative course combines:

- Clear theoretical foundations
- Practical intervention tools
- Creative methods like drama, drawing, storytelling, and group games

Co-funded by  
the European Union
